

Information on Temporary Import of Air Rifles – EFTC 2026 (Italy)

Italian law allows the **temporary importation of firearms** by foreign citizens who are not residents of Italy, provided that the purpose is participation in shooting competitions organized by National Sports Federations affiliated with the Italian Olympic Committee (**CONI**), including **FIDASC**.

2. Upload the completed and signed Form A to the same website from which it was previously downloaded.
3. The **FIDASC Federation** will validate Form A with the signature of the Federal President and forward it to the **Police Headquarters of Cosenza (Questura di Cosenza)**.
4. Once validated, one copy of Form A will be returned to the competitor, and another copy will be sent by the Police to the competent border authorities.

Each competitor **without** a European Firearms Pass must carry **two copies** of the following documents:

- The validated **Form A**;
- A **copy of their identity document**.

These documents must be presented and **stamped** both upon entry into and exit from Italy by the border offices previously informed by the Police Headquarters.
